Extras 3+5, 4+7, 5+7

Did you know that three plus five equals eight? The same as four plus four we learned before.

seven plus four equals ten with just one more? When you add them now you’ll never have to wait.

last one to be learned is seven plus five, smushed together makes a twelve and that’s no jive.

you’re such a scholar, you can always earn a dollar. You’ve learned all the adding facts and now you’re done.
