

Solve

- Try one or more of my ideas.
- Is my answer reasonable?

Focus

- What do I know?
- Do I need more information or tools (ex. a ruler) to help me?
- Do I need a formula?

Main Idea

- What do I need to find?
- What information do I need to know to answer the question?

Relate

- How does the problem relate to me?
- What steps do I need to follow to solve the problem?

Brainstorm

- What strategies could I use to solve this problem?
- What operations could I use?
