

Adding Doubles

C

Three plus three is six, four and four make eight,

There's no trouble with a double, they're a piece of cake.

Five plus five is ten, six and six are twelve, There's no trouble

with a double they're a piece of cake. Seven and

seven make fourteen, ev - 'ry sin - gle time, There's no trouble

with a double, now let's eat the cake. (Slurp!)
